

FENTAPILLS

Fake Prescription Pills Made of Fentanyl

Everything You Need to Know

Fentapills are everywhere.

You have to assume that any pill you get online or from a friend is fake. Only take pills that come from your doctor or pharmacist.

FENTAPILLS LOOK REAL

There is no way to know if the pill you get is legit or counterfeit.

ASSUME ALL M30s ARE FENTAPILLS

ONE PILL CAN KILL.

Picture two grains of sand – that is how little it takes for fentanyl to kill you. That's the difference between high and die.

You can't test fentapills.

There is no way to accurately test if a pill contains fentanyl. A lethal dose could be lurking in any corner of the pill.
