Sacramento County WIC Program is looking for a Lactation Consultant to work with our First 5 Sacramento grant funded Community Lactation Assistance Project as an independent contractor. This contract ends June 30, 2021 with the possibility to renew if grant funding remains available.

**Location:** Sacramento, CA (offices in Del Paso Heights, Rancho Cordova, Oak Park, South Sacramento, and Elk Grove)

**Hours:** 22 hours per week; not to exceed 385 hours in fiscal year 2019-2020

**Rate:** $30-35 per hour; Based on experience as a Lactation Consultant

**Date Posted:** February 14, 2020

**Respond by:** March 6, 2020

**IBCLC is responsible for but not limited to:**

- Conducting consultations with normal and complex lactation issues (i.e. babies with poor latch, low supply, moms with mastitis, etc.)
- Providing phone and face to face consultations, either in the office or in the mother’s home
- Training and mentoring breastfeeding support staff and WIC staff
- Assisting with monthly in-service trainings
- Documenting consult notes and forms in applicable program databases

**Requirements:**

- This position requires current certification as an International Board Certified Lactation Consultant (IBCLC) in good standing with the International Board of Lactation Consultant Examiners
- Must have a valid California Driver’s License and current automobile Insurance

**Preference:**

- Bilingual in Spanish, Russian, or Hmong
- Familiarity with the WIC Program and/or Breastfeeding Peer Counselor Program
- Proficient in using Microsoft Office (Excel, Word, Outlook, etc.)

**Instructions:**

Please respond to Lisa Mathews via email at MathewsL@saccounty.net. Please include your resume and a telephone number where you can be reached during normal business hours by COB on March 6, 2020.
