

EXPERT POOL 2020

**For clients/consumers of behavioral health services,
family members and supporters.**

Join Sacramento County's peer community and get informed about training opportunities, services and supports within Sacramento County's Behavioral Health System.

At Expert Pool, we know community members are experts on themselves and we value the life experiences each person brings to the table.

If you wish to attend and need to arrange for an interpreter or reasonable accommodation, please contact Anne-Marie Rucker at least one week prior to each meeting at (916) 875-3861 or ruckera@saccounty.net

This program is funded by Sacramento County Division of Behavioral Health Services, through the voter-approved Proposition 63, the Mental Health Services Act.
