

**Healthy Partners  
Zip Code Report  
Data as of May 5, 2016**

This report contains Healthy Partners enrollees as of May 5, 2016. Data is grouped by zip codes that have had consistently high rates of poor health outcomes (above county, state and Healthy People 2020 benchmarks) related to chronic disease and mental health. The 15 zip codes fall into three geographic areas in Sacramento County—North Area, South Area and Downtown.

*Zip Code Data Source: Community Health Assessment of Sacramento County, prepared by Valley Vision, Inc. for the Healthy Sacramento Coalition, September 2012.*
