La Familia COUNSELING
CENTER, INC.

Visión y Compromiso

LCHC

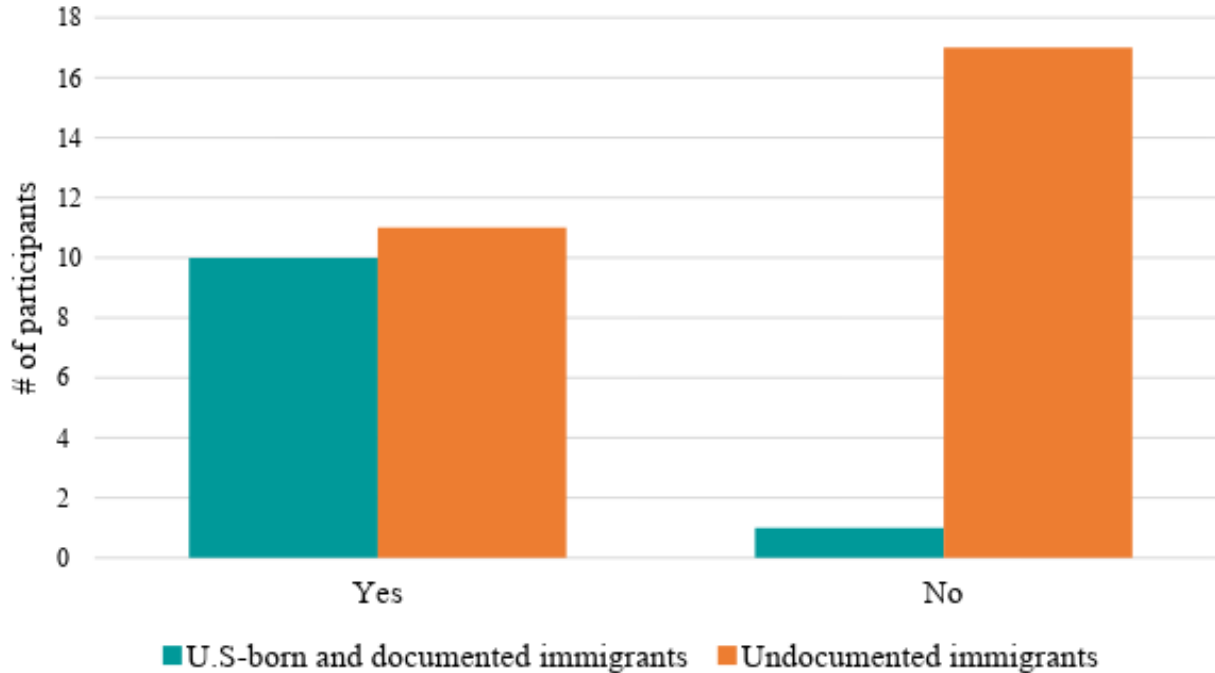

LATINO COALITION FOR A HEALTHY CALIFORNIA

Dignity Health™

Focus Group Findings

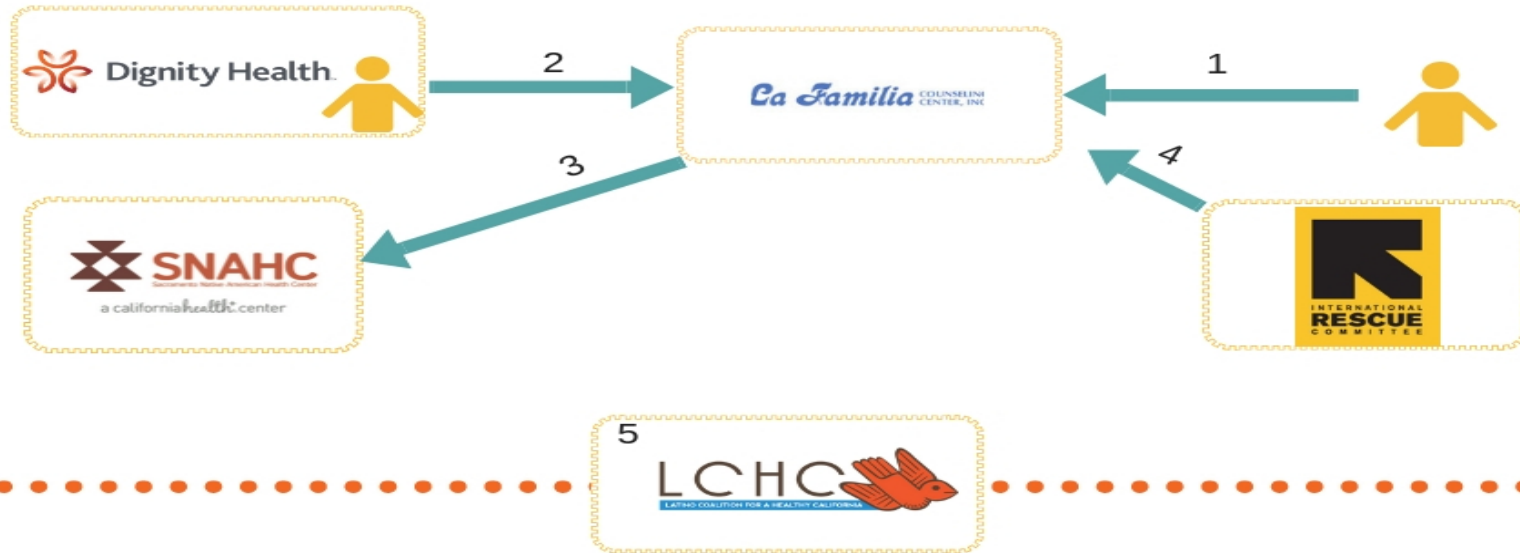

Figure 6. More undocumented immigrants did not receive preventive care health services in the past 12 months

Need

- Greater access to mental/behavioral health services
 - Culturally and linguistically competent mental/behavioral health services
- Safe Spaces for families to seek support and thrive
- Greater access to primary and oral health services
- Community to know their health rights

Health with Dignity Program

1. Participants from LaFamilia community will enter the program through intake process

2. Patient Navigators from Dignity Health hospitals can refer patients to LaFamilia for social, health and wellness services

5. LCHC will serve as convener and coordinator and will provide information on Know Your Health Rights

3. La Familia will identify participants that need access to behavioral, mental, oral and primary care services and will make referrals to SNAHC

4. The IRC will offer legal support services at La Familia for immigrant families and victims of domestic violence and human trafficking

Target Population

- Undocumented Latinos
- Uninsured or underinsured
- Seeking mental and behavioral health services
- Victims of domestic violence and human trafficking

Services and Activities

- Know Your Health Rights Town Hall and ongoing workshops
- Wellness workshops
 - Art therapy. Bailoterapia. DEEP, Nutrition
- Care coordination and referrals to mental, behavioral, primary and oral health care
- Legal support services to victims of domestic violence and human trafficking

2019 opportunities for collaboration

Expanding our partnerships for referrals

Ensuring patients are receiving quality-care in a timely manner

Policy change opportunities
