

## COVID-19 Vaccine Reporting August 4, 2021

Per the June 26, 2021 [State Health Officer Order](#), all acute health care and long-term care settings, high-risk congregate settings, and other health care settings identified in the Order must verify vaccine status of all workers and have a plan in place for tracking verified worker vaccination status. As of August 16, 2021, Sacramento County Public Health (SCPH) will be requiring the following facilities to report the vaccination status of all workers, including contracted staff, to SCPH:

- General Acute Care Hospitals
- Skilled Nursing Facilities (including subacute facilities)
- Intermediate Care Facilities
- Congregate Living Health Facilities

Please submit **one survey per facility** on the **second Monday of every month** using this survey link: [https://saccountyct.sjc1.qualtrics.com/jfe/form/SV\\_3I7KRwrPWQDhSIK](https://saccountyct.sjc1.qualtrics.com/jfe/form/SV_3I7KRwrPWQDhSIK)

The survey will ask for facility information (name, type, address), submitter information (name, position/title, contact information), and vaccination status as follows:

	<b>Number Employed</b>	<b>Number Fully Vaccinated*</b>	<b>Percent Fully Vaccinated*</b>
<b>Facility Staff - Clinical</b>			
<b>Facility Staff - non-Clinical</b>			
<b>Contracted Staff - Clinical</b>			
<b>Contracted Staff - non-Clinical</b>			

\*Fully vaccinated - 14 days after completing a vaccine series (two doses of the Pfizer or Moderna vaccine or one dose of the Jansen vaccine).
