

Sacramento County Health Center Overview

Andrew Mendonsa, Psy.D., ABBHP, MBA

Clinic Services Division Manager/Health Center Director

General Overview

The Sacramento County Health Center is a HRSA Federally Qualified Health Center that provides primary care and behavioral health services to low-income residents of Sacramento County.

In our Broadway location which is ideally located to serve our patient population, we are co-located with WIC, Chest Clinic, Sexual Health Clinic, County Pharmacy, Sacramento Covered, and Quest Diagnostic Lab.

Nearly all (99%) of providers are from University of California, Davis, either faculty or residents. We have strong partnerships with School of Medicine, School of Nursing, Department of Community & Family Medicine, Department of Pediatrics, and Department of Psychiatry. We recently enter an agreement working with a Kaiser Fellow which may open future opportunities.

We provide the following medical specialties and services

- Adult Primary Care
- Family Medicine, Obstetrics & Gynecology
- Pediatric Primary Care
- Psychiatry / Integrative Behavioral Health
- Chronic Disease Management
- Communicable Disease Screening
- On-Site Laboratory and Radiology
- PrEP Prescription and Rapid HIV testing
- Pediatric Preventative Dental
